

## AL.0709 LED PROFILE

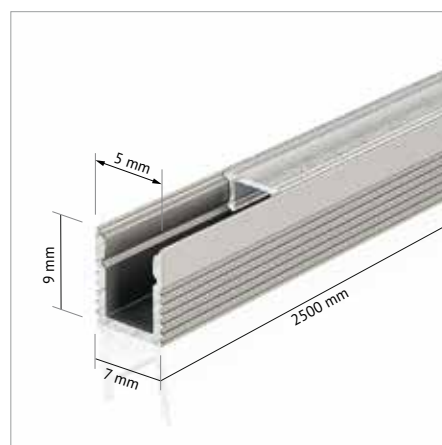

The slimmest profile in the Asta Linear range, AL.0709 is suitable for surface mounting or mounting within a 9mm deep pre-formed recess. Featuring a 5mm wide area in which to position an LED strip, this low-profile unit is used to create individual or continuous lines of light.

The profile can be used with a frosted diffuser or clear 60° lens. A range of colour temperature LED strips is available or the profile can be used with a preferred LED option. Asta Linear profiles can be purchased in linear lengths or supplied in fully constructed units with LEDs installed.
