

AL.8832 LED PROFILE

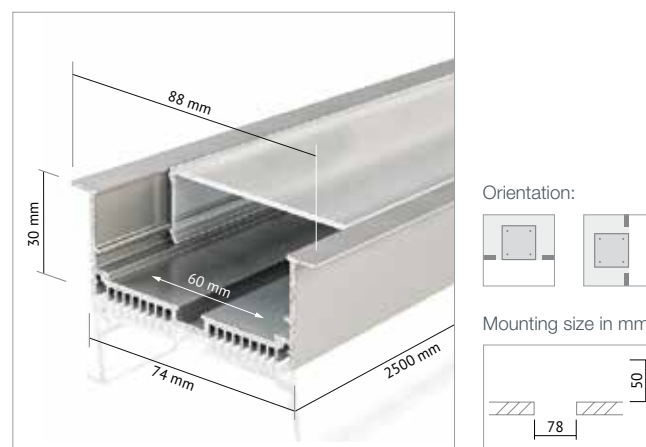

The widest recess mounted Asta Linear profile is primarily designed for commercial lighting applications. AL.8832 accommodates an LED strip at 60mm in width or a narrow panel of Applelec's LED Light Sheet. Installed within a 50mm deep recess using mounting clips, the profile is used to create individual or continuous lines of light.

The frosted diffuser is high impact resistant, UV resistant and delivers over 80% light transmission. A range of colour temperature LED strips are available or the profile can be used with a preferred LED option. Asta Linear profiles can be purchased in linear lengths or supplied in fully constructed units with LEDs installed.
